INVITATION

Dear,

The team of (university, partner) to the consortium, executing the *Development and Recognition of Bulgarian Studies Abroad* National Scientific Programme invites you to participate in the research and training activities of the Programme.. For this purpose, we offer you the opportunity for a short term stay in Bulgaria (up to 3 months), funded by the Programme.

In order to accept the offer of participation in the activities of the Programme, you should complete the application form, attached to this invitation letter.

Please send the completed and signed form to the following email: (partner's email address).

The deadline for submission of applications is 30 calendar days from the date of the invitation.

We will be delighted if you accept our offer for collaboration.

Date:

Team Manager

Sincerely
